The purpose of the Garage Sale Permit is to provide and regulate certain incidental and accessory uses which may be allowed in residential neighborhoods under conditions that will ensure their compatibility with the neighborhood.

A patio, garage and/or yard sale means a sale of personal property held at a private residence by the owners, tenants or occupants and is limited to the sale of property owned exclusively by those conducting the sale.

No person shall conduct a patio, garage or yard sale unless they first obtain a permit.

No more than two permits will be allowed per address per calendar year.

Hours of the event are limited to between 8:00 a.m. and 6:00 p.m. and shall be for no more than two consecutive days per event.

No signs or other forms of advertisement shall be placed on any City-owned property or utility poles. Signs advertising the sale may be placed on the property where the sale will occur up to 48 hours before the event. No more than two signs may be placed at the sale location and shall not measure more than three (3) square feet in area.
